(E) Thumb Screws x 4

(F) Nut x 4

Before you begin, you will also need:

- Tools: Allen key (Included in Kit), Spanner.

2.1 Attach Bracket to the Bed Frame

Elevate the bed backrest to the highest setting to allow enough room to work with the metal bed frame. Locate the two holes on the head end of the frame to attach the bracket (A). Using the bolts (C) and washers (D) place the bolt through the bracket. Ensure the bracket is in the correct position by lowering the backrest to the flat position and aligning the bracket approximately 5mm away from the backrest edge. Tighten the bolts into the bed frame using the Allen key. Repeat for the opposite side.

2.2 Tighten the Headboard Thumb Screw

Place the thumb screws (E) into the headboard and the bracket holes. Place the washers (D) and nuts (F) onto the thumb screw inside the bed frame. Tighten the nut using a spanner. Ensure the nut has been tightened enough to prevent any unwanted movement with the headboard.

1 | Place the thumb screw through the holes.

2 | Tighten the nut.

2.3 Test the Headboard

Test that the headboard is secured to the bed by ensuring there is minimal movement.

3. Guarantee

As stated in the Standard Terms and Conditions, below, Opera provides a manufacturer's warranty of 1 year from the date of purchase.

4. Opera Warranty Terms and Conditions

4.1 Warranty Terms

5.1.1 Subject to the terms and conditions set out below, Opera agrees to repair or replace the product within the United Kingdom at its own cost, and any Opera accessory supplied with it, purchased by you from Opera. In circumstances where the product does not perform in accordance with Opera's specifications during the warranty period of 1 year, commencing on the date of delivery (or deemed delivery) of the product.

5.1.2 This contractual product warranty does not operate to limit rights under the statutory warranties referred to in clause 5.3.1 below.

4.2 Warranty Conditions

5.2.1 Proof of purchase (invoice) must be provided when requesting service under warranty.

5.2.2 Opera requires any customer requesting service under the warranty to comply with directions from Opera staff in relation to troubleshooting any issue and facilitating any repair or replacement under these Warranty Terms and Conditions.

5.2.3 The customer is responsible for inspecting all goods received from Opera upon arrival. In instances where goods have been damaged in transit, the customer must report this to Opera within 3 working days of receipt of the product. Failure to report physical damage on arrival within three working days of receipt may result in denial of warranty for physical damage.

5.2.4 Opera reserves the right to replace the product or relevant part with the same or equivalent product or part, rather than repair it. Where a replacement is provided, Opera will determine, in its discretion, the closest product within the current range of products offered by Opera with which to replace the faulty or damaged product. The replacement product may differ with the replaced product in size and specifications, at the reasonable election of Opera. Opera may replace parts with refurbished parts. Replacement of the product or a part under the warranty does not extend or restart the warranty period.

5.2.5 If Opera is unable to repair or replace the product, the customer will be provided with credit for Opera products or may be refunded the price of the product (at Operas election). This credit or refund will be for the amount of the purchase price of the product, excluding the associated delivery cost.

5.2.6 In the event that a replacement, refund, or store credit is provided as per section 5.2.5, the faulty item will become the property of Opera.

5.2.7 Opera may seek reimbursement of any costs incurred by you where the product is found to be in good working order.

5.2.8 Opera reserves reasonable discretion to determine whether any product is or is not performing in accordance with Opera specifications, subject to applicable law.

5.3.1 Legislation may imply warranties or conditions or imposes obligations on Opera, which cannot be excluded, restricted or modified in relation to consumer goods.

5.3.2 To the full extent permitted by law, but subject always to clause 5.3.1, the warranty will not apply in respect of a product:

- (a) If the product has not been installed, operated, maintained or used in accordance with the Opera instructions or specifications provided with the product;

- (d) To damage arising during transportation, installation or while moving the product or to any transportation costs of the product or any parts thereof to and from the customer, unless otherwise specified in these warranty terms and conditions;
- (e) To any third-party software or hardware not contained in the product as originally configured by Opera.
- (f) To any failure, to the extent that the failure is not a failure of the product to perform in accordance with its specifications.
- (g) To service of any product whilst it is outside the United Kingdom.

5.3.3 To the full extent permitted by law, but subject always to clause 5.3.1:

- (a) Opera will not be liable for any loss, damage or alterations to third party products, no matter how occurring; or for any loss or damage arising from loss of use, loss of profits or revenue, or for any resulting indirect or consequential loss of damage.

(b) Opera's aggregate liability in respect of all claims under the warranty shall not exceed the original purchase price of the product or, at Opera's option, the replacement of the product with a like or similar product.
